Milton, FL · 737-667-3687 · Cory@MRDOTS.us · mrdots.us · linkedin.com/in/cory-lintz · Active TS/SCI

Training Manager — Learning & Development · Workforce Development · Qualification Management

PROFESSIONAL SUMMARY

Training and workforce development leader with 20+ years of U.S. Air Force service building and running training enterprises at every scale — from the Air Force's largest formal training unit (5,700+ training events producing 366 qualified aircrew) to squadron training management for 187 members across 4 locations. Rewrote squadron training policy to eliminate repeat deficiencies, secured \$30K in additional training funds, and redesigned onboarding to accelerate certification timelines. Experienced with simulation and virtual-reality learning programs delivered through contractor partners. Active TS/SCI; BS Information Technology (4.0 GPA).

CORE COMPETENCIES

- | | | |
|--|-------------------------------------|---|
| • Training Program Management | • Simulation & VR Learning Programs | • Standards & Evaluation Compliance |
| • Workforce Development | • Onboarding Design | • Scheduling & Throughput Management |
| • Qualification & Certification Management | • Training Policy Development | • Contractor-Delivered Training Oversight |
| • Instructor & Evaluator Leadership | • Training Budget Management | • Cross-Functional Coordination |

PROFESSIONAL EXPERIENCE

Operations Superintendent / Resource Advisor / Special Projects Lead

605th Test & Evaluation Squadron, Hurlburt Field, FL · 2024–2026

- Advised 107 personnel on readiness and career development during a 60-day backfill as Squadron Senior Enlisted Leader; managed operations and workforce for 56 personnel across 3 sites while maintaining full operational tempo.
- Directed a \$2.4M operating budget and \$4M in active contracts supporting 21 contractors and 52 C2/ISR test programs.
- Led 7 IT modernization initiatives — deployed enterprise project-management software improving tracking and reporting visibility across 85+ active projects.

Operations Superintendent / Unit Training Manager

605th Test & Evaluation Squadron, Hurlburt Field, FL · 2023–2024

- Managed 23 formal training assignments and \$13K in training funds; transitioned squadron training to contractor support without disrupting test readiness.
- Redesigned onboarding to accelerate certification timelines for incoming test personnel; drove 45 personnel realignments enabling a full squadron reorganization into cross-functional teams.
- Tracked qualifications supporting 52 operational test requests; redesigned key workflows to eliminate redundant procedures, recovering 800+ labor hours annually.
- Coordinated 197 workflow tasks across group and wing staff.

Operational Test Program Manager — Nuclear Command, Control & Communications (NC3)

605th Test & Evaluation Squadron, Hurlburt Field, FL · 2020–2022

- Served as Unit Training Manager for 187 members across 4 locations; secured \$30K in additional training funds and rewrote squadron training policy, eliminating repeat deficiencies identified through test planning boards.
- Managed operational test programs within a \$4B NC3 portfolio across 32 national-level test events, integrating requirements with multiple agencies and operational stakeholders.
- Oversaw execution of a \$460M mobile NC3 system test from requirements through final evaluation.

Flight Chief / Section Chief / Instructor-Evaluator — RC-135V/W Airborne Systems Engineer

97 IS · 338 CTS · 343d/38th RS · 55 OG, Offutt AFB, NE · 2007–2020

- Led training and scheduling in the Air Force's largest formal training unit — coordinated 5,700+ training events and 348 missions, producing 366 qualified aircrew for 11 squadrons and 7 combatant commands.
- Directed RC-135 Mission Crew Training Simulator and virtual-reality programs with Leidos, L3Harris, and Booz Allen Hamilton (Big Safari), delivering high-fidelity C2ISR training environments across 52+ active programs.
- Served as Instructor-Evaluator; supervised flights and sections of 12–73 personnel and directed standardization/evaluation functions.
- Modernized training trackers and qualification systems — tools adopted as institutional standards across multiple units.
